

# ANNOUNCEMENT NEW CODE IMPLEMENTATION

On January 1, 2017 the 2016 California Building Code will go into effect in the City of El Segundo. All submittals made from that time will be subject to this Building Standard Code.

### **Time Frame:**

**December 29, 2016:** Last day new submittals will be allowed under the existing code. Submittals must be accompanied by payment of plan check fees.

### **Rules:**

Plans must be deemed substantially complete. If any changes are made, a new submittal must be made under the new code and new fees be paid.
