Public Works Department NOTICE OF IMMINENT CONSTRUCTION IMPERIAL HIGHWAY STREET RESURFACING PROJECT

Dear Property or Business Owner:

The eastbound lanes of Imperial Highway will be resurfaced in the upcoming weeks between Sepulveda Boulevard and Hornet Way. The intent of this letter is to help you understand the project and minimize inconveniences you may encounter.

Schedule

The project is scheduled to begin March 27, 2017 and is anticipated to continue for approximately one month. Working hours will be Monday through Friday from 9:00 am to 3:00 pm. One weekend will be utilized for paving, which will be done continuously from 9:00 pm Friday to 5:00 am Monday.

Notices will be placed on your front door 72 hours prior to construction and signboards will also be placed two weeks in advance informing motorists of the future construction. Please note that the schedule may change based on material availability, weather conditions, or other unforeseen circumstances.

Please inform tenants and other regular users of your building of construction activities as well so they may plan accordingly.

The Work

Four inches of the roadway surface will be removed and replaced with new rubberized asphalt concrete. The new roadway surface can be used soon after it has cooled off; however, traffic control devices will be placed to guide vehicles to lanes that can be safely used during construction. *Please obey the traffic controls, for everyone's safety!*

Contact Info

Ryan Palmer, Shawnan Corporation (562) 803-9977: Please contact Mr. Palmer directly for any on-site, day-to-day questions you may have about timing and access.

Floriza Rivera, Project Manager, City of El Segundo (310) 524-2361: Feel free to contact Ms. Rivera for any general questions you may have.

Thank you for your cooperation!
