Our fundraising goal for the *El Segundo Herald* preservation project is \$20,000. Thanks to the generosity of donors listed below, we are almost there! The donations, together with the Friends' contribution of \$20,000, is nearly sufficient funding for the completion of the Friends' project "Saving Our Community History." Digital conversion and placement of El Segundo's only newspaper, the El Segundo Herald, on the Library's web site will give everyone a view of our past from 1916 forward! What a gift to ourselves and to the generations that follow! Only an additional \$5,500 is needed to accomplish all this. To make a donation toward this project, please send a check made out to "Friends of the El Segundo Public Library" and note "Herald Project" on the check. Donations can be mailed or walked into the library.
