Dear SoCalGas Customer:

The Southern California Gas Company (SoCalGas) will be in your area performing improvements to our pipeline on El Segundo Blvd between Standard and Sheldon, south of the centerline of El Segundo Blvd.

Work will begin on or around November 28, 2016 and last approximately eight to twelve weeks. Working hours are Monday- Friday 9:00 am to 3:00 PM, and 8:00 PM to 5:00 AM and Saturday 7:00 AM to 3:00 PM.

You may see and hear and see periodic sounds of construction related to digging and moving of dirt.

East and west traffic lanes on El Segundo through the work areas will be reduced to one lane in each way. There will be no parking on El Segundo through the work area. The project manager on the job site is Carlito Tiongco. He can be reached directly at 818-585-0839.

Traffic delays may occur, so I suggest the selection of an alternate travel route around this location during our working hours. You may also detect an occasional smell of natural gas. The gas service to your business will not be interrupted.

Thank you for your patience while we complete this work. It is our desire to minimize any inconvenience to you throughout the duration of this project. If you have any questions, please feel free to contact me at 213 244-4633.

Thank you for understanding our effort to provide safe, reliable natural gas service.

Mike Harriel
SoCalGas Public Affairs Manager
