Where You Can Help Make A Difference

Joslyn Center
339 Sheldon Street
El Segundo

Monday, September 9, 2019
11:30 a.m. - 1:00 p.m.

Do you like to be involved in your community? Is having a high-performing fire department important to you? Do you care about the level of fire service you receive? If you answered yes, then we can use your assistance.

The El Segundo Fire Department is continuously working to achieve the highest level of professionalism and efficiency through effective fire and life safety service delivery. We are currently working on a process of improvement by developing a **community-driven strategic plan** and your input is needed.

In conjunction with the Center for Public Safety Excellence, we invite you to participate in a community forum where you can provide feedback related to community expectations, concerns and priorities for the fire department; building the foundation of a five-year strategic plan.

If you would like to PARTICIPATE in this structured session, please R.S.V.P. Vanessa Arias at the El Segundo Fire Department before September 5, 2019. She can be reached at 310-524-2236 or by email sarias@elsegundo.org
