Dear Water Customer,

This letter serves to notify you that the rates associated with delivering you potable water and sewer treatments will increase on July 1<sup>st</sup>, 2015 in accordance with Proposition 218 that was approved by City Council earlier this year.

Attached are tables highlighting the existing and new rates and their effective dates for water and sewer. These rates are authorized under Ordinance No. 1501, which was adopted by City Council on February 3, 2015. All new rates will appear on your water bill following July 1, 2015. If you have any questions about these rate increases or your water bill, please call Water Billing at (310) 524-2319.

Sincerely,

Deborah Cullen  
Director of Finance
