NOTICE OF PUBLIC HEARING

TAKE NOTICE that the El Segundo City Council will hold a public hearing at its regular meeting on **October 4, 2011 at 7:00 pm in the City Council Chambers, 350 Main Street**, or as soon thereafter as is practicable. The City Council will consider adopting the Urban Water Management Plan 2010 Update (UWMP), including (SBx7-7) in compliance with the Water Conservation Act of 2009.

The 2010 Urban Water Management Plan Update addresses the City of El Segundo Water Department's water resources planning responsibilities by assessing water supplies and demands over a 20-year planning horizon. The Plan also incorporates the department's drought response actions and its water shortage contingency plan. New to the 2010 Update are the legislative requirements set forth by the 20x2020 Water Conservation Plan, which calls for a 20 percent per capita water use reduction by the year 2020. The City of El Segundo's water use reduction targets and strategies for meeting this goal will be presented during the meeting.

The City of El Segundo encourages interested parties to attend the public meeting and comment on the issues being discussed. If you wish to provide testimony and are unable to attend the meeting, written comments delivered to the City Clerk's office before the hearing will be made a part of the public record.

Before the hearing, a draft of the Plan will be made available for review on the City's website at www.elsegundo.org. If you have questions regarding the City of El Segundo's UWMP, please contact Maryam Jonas, Principal Engineer at 310-524-2361 or mjonas@elsegundo.org.
