Dear Tracy Weaver,

we would like to make a public comment for the Council City meeting today

**ESMoA wishes everyone well and we invite you to visit us online at [esmoa.org](https://www.esmoa.org) for our free online program offerings through #ESMoAatHome that includes free resources for all ages and virtual tours.**

We are looking forward to working with our **El Segundo Schools** in the new school year together.

**We are inviting students and teachers to reserve free virtual field trips and use our free online resources at ESMoA.**

**ESMoA admires the work El Segundo for Black Lives is doing with the City and we look forward to working together.**

**ESMoA thanks El Segundo TV for highlighting El Segundo's wonderful nonprofit organizations:**

The Old Town Music Hall, **ESMoA**, and the Automobile Driving Museum.

**These institutions need your support to continue operating.** Please see: [www.youtube.com/watch?v=5hZ3FDwaFVQ](https://www.youtube.com/watch?v=5hZ3FDwaFVQ)

Regards,

Barbara Boehm
