**AGENDA DESCRIPTION:**

Consideration and possible action regarding tree removal at 309 E. Mariposa

---

**RECOMMENDED COMMISSION ACTION:**

1. Approve Ficus tree removal at 309 E. Mariposa.
2. Alternatively, discuss and take other action related to this item.

---

**BACKGROUND & DISCUSSION:**

Santos Haro, Tree Park Supervisor sent a tree removal notification letter dated November 10, 2020 to William and Allison Dottie at 309 E. Mariposa Ave and surrounding neighbors per city policy. William and Allison responded within the 14 day appeal period requesting no tree removal. This tree is a mature Ficus tree that has been on the city's review for several years due to the severe pruning the tree has endured because it is located under utility lines. This type of pruning has accelerated the decline of the tree which includes fungus growth on the support roots indicating internal decay.

The notification letter was initiated by a Public Works sidewalk and curb replacement project throughout the city. The large support roots have lifted the sidewalk creating a hazard for pedestrians and additionally have broken the street curbing. Reconstruction of the walk and curb would require cutting of major support roots of the tree which would undermine the structural integrity of the tree.

Dear Resident(s),

The City street tree located at 309 E Mariposa Ave is scheduled for removal. The reason for removal is:

- The tree is dead.
- The tree is diseased and is unsafe.
- The tree has caused significant hardscape damage.  
A significant portion of the tree has split away from the tree's trunk.
- Other reason or further explanation: Sidewalk Replacement Project – Engineering Department

If, after careful consideration, you feel that this tree is not an appropriate candidate for removal, please forward a letter to us within 14 days, indicating your concerns and any other information that may be helpful in evaluating the situation.

Your letter and information will be forwarded to the Recreation and Parks Commission, and your appeal will be agendaized at the next available Commission meeting (the Commission meets on the 3<sup>rd</sup> Wednesday of the month, 6:00pm, in the City Council Chambers, 350 Main Street).

You will be contacted and made aware of the date of the meeting. We encourage you to attend the meeting and explain your concerns to the Commission directly. After the Commission has considered your appeal, they will make a decision on the issue.

We look forward to working with you to enhance the City.

Sincerely,

**COVID-19 Update: Youth and Adult Recreational Sports**

LA County updated its Reopening Protocol for Youth and Adult Recreational Sports Leagues on 2/24/21, 2/26/21, and 3/2/21. Additional updates are anticipated due to a recent State of California update pertaining to Outdoor and Indoor Youth and Recreational Adult Sports on 3/4/21.

In LA County, outdoor-moderate contact sports (baseball, softball, volleyball, etc.) and outdoor, high-contact sports (basketball, football, lacrosse, soccer, water polo, etc.) may resume all activities, including but not limited to practices, skills-building, training, and two-team competitions. Moderate-contact and high-contact sports must develop and implement an informed consent process for participants and/or their parents/guardians. Football, rugby, and water polo teams serving players 13 years of age and older must implement a weekly testing policy. If competing, tests must be completed, and results made available and reviewed by coaches within 24 hours of play. Note: Testing will be required when the adjusted case rates for LA County exceed 7 cases per 100,000 population.

**COVID-19 Update: Vaccinations**

The All-Hazards Incident Management Team continues to help coordinate vaccinations for public safety employees, Park Vista residents, school district employees, and Disaster Service Workers. Select recreation and library staff working directly with children also qualified for vaccinations as part of LA County's Phase 1B Tier 1.

**Extension of Agreements with Youth Sports Organizations**

The City Council will consider a recommendation on March 16 to amend the license agreements for additional three-year terms for the following Youth Sports Organizations: El Segundo AYSO, El Segundo Babe Ruth, El Segundo Girls Softball, El Segundo Lacrosse, El Segundo Little League, El Segundo Inline Hockey, El Segundo Youth Flag Football, and El Segundo Youth Volleyball. The amendments will allow the Youth Sports Council Members to continue using the fields and facilities at the current rate of \$10 for an El Segundo resident player and \$30 per non-resident player.

**Capital Improvement Projects**

Improvements to the Softball Field bleachers are complete. Caution tape will be removed after final approvals from the Development Services Department.

Acacia Park construction is on track to be substantially completed by April 2021. In progress photos below.

Engineering, hardscape, and landscape design continue for the Learning Garden and Storybook Loop planned for Library Park. Plans should be available for input from stakeholders and the Development Services Department soon (March/April 2021).

### **Topgolf and Golf Subcommittee**

The last day to play golf at The Lakes was 2/14/21. The golf course and driving range will close for approximately 14 months during Topgolf's construction of a state-of-the-art golf and recreation facility. The new Topgolf driving range and nine-hole municipal golf course are anticipated to open to the public by May 2022. Due to the transition of the property and operations from the City to Topgolf, the City Council voted to dissolve the Golf Course Subcommittee on 3/2/21.

### **FY 2021-2022 Budget**

Preliminary budget discussions are underway due to the upcoming shift in the City's Fiscal Year (from October-September to July-June). A Budget Study Session with City Council will be scheduled for early May.

### **Looking Ahead**

We anticipate sharing Mithun's Urho Saari Swim Stadium (Plunge) Needs Assessment and Conceptual Design at the Recreation and Parks Commission Meeting on 4/21/21 and the City Council Meeting on 5/18/21.
