

City of El Segundo's Green Business Program

**Save money.
Be a green leader.
Increase business.**

**The City of El Segundo
wants to recognize
your business for
BEING GREEN.**

**Join a network of more than 4,000 prominent and
respected businesses in El Segundo and across
California taking steps toward sustainability.**

Recognition
Your business will appear in our
Green Business Directory that
will be seen by local consumers.

Savings
Green businesses implement
practices that lead to cost savings
in energy, water and garbage bills.

Support
Certification includes free, on-site
green technical and financial
assistance.

Join us today
Make a difference through
responsible, sustainable business
practices that conserve California's
valuable resources.
