## LANDSCAPE COMPLIANCE CERTIFICATE

### I hereby certify that:

1. I am a professional appropriately licensed in the State of California to provide professional landscape design services.
2. The *Landscape Design and Water Use Calculations* was prepared by me or under my supervision for the project for the property located at:

---

(Provide Street address or parcel number(s).)

---

(List Related Permits)

3. The *Landscape Design Plan and Water Use Calculations* for the identified property comply with the requirements of the City of El Segundo Water Efficient Landscape Regulations in ESMC § 15-15A-5. (Ordinance No. 1515)

The following items were included for the *Landscape Documentation Package*:

- Project Information
- Water Efficient Worksheet
  - a) Maximum Applied Water Allowance (MAWA)
  - b) Estimated Total Water Use (ETWU)
- Soil Management Report.
- Landscape Design Plan.
- Irrigation Design Plan
- Grading Design Plan
- Stormwater Management and Retention Plan
- New Water Meter for Landscaping greater than 5,000 square feet
- Other (i.e. Landscape Water Features:213 such as fountains, swimming pools and spa.)

3. The information provided in the *Landscape Documentation Package* is true and correct and is hereby submitted in compliance with the California Water Conservation in Landscaping Act.

4. I understand that a "Certificate of Completion" will be required and submitted to the City once the Landscaping and Irrigation system has been installed before requesting Final for the Plumbing Permit and/or Building Permits issued for this Landscape project. The request for the Certificate of Completion must include all of the items described in ESMC §15-15A-14.
5. I understand that an "Irrigation Audit" will be required and submitted to the City once the Landscaping has been installed at the project site before requesting Final for the Plumbing Permit and/or Building Permits issued for this Landscape project. The Irrigation Audit will report how much water was used for three months after the complete installation of the Landscaping, in compliance with the City of El Segundo's Water Efficient Landscape Ordinance in ESMC § 15-15-14(D).
