My name is John Pickhaver. I am an El Segundo resident and member of the SEA Change. I wish I could be at today's meeting but I've enrolled in the Community Police Academy which meets at the same time. When I am able to attend your meetings, I take detailed notes and send out a comprehensive write-up to hundreds of residents subscribed to our mailing list. I did this as a service to those invested in your work but who - for a variety of reasons - aren't able to attend meetings in person. I'm once again asking you to make a meaningful effort to record and/or broadcast your meetings. Several months ago you voted unanimously on this topic to be on the agenda, yet to my knowledge the item has yet to be discussed at a meeting. I'm confident a creative solution to this concern can be reached. Thank you.
