The USEPA Region 9 and Los Angeles Water Board held a joint public hearing on the Tentative WDRs and NPDES permit during the regular Los Angeles Water Board meeting (Board meeting) on October 13, 2022.

At the public hearing, the USEPA Region 9 and the Los Angeles Water Board heard testimony pertinent to the discharge, tentative WDRs, and NPDES permit. To provide additional time for the public to comment on the Tentative Order, the Los Angeles Water Board and the USEPA Region 9 decided to extend the public comment period to November 14, 2022.

Interested persons may submit written comments on the tentative requirements/permit during the public comment period, either in person or by mail to the Los Angeles Water

JAMES STAHL, ACTING CHAIR | RENEE PURDY, EXECUTIVE OFFICER

Board's office (320 West 4th Street, Suite 200, Los Angeles, California, 90013), or by email to xiaofei.cui@waterboards.ca.gov and Kozelka.Peter@epa.gov by the 5:00 p.m. on **November 14, 2022** to facilitate consideration of the comments by the USEPA Region 9 and the Los Angeles Water Board. All timely comments received shall be considered in making the final permit decision.

With respect to the public notices, as well as in accordance with the Federal Clean Water Act, as amended, and the California Code of Regulations, you are required to follow the enclosed instructions for publication or posting of the notice no later than October 28, 2022.

Failure to publish or post the notice by the above date may delay consideration of this item by the Board and will require the publication or posting of an additional notice. Please notify the USEPA Region 9 and the Los Angeles Water Board when the notice has been published and submit the proof of publication or posting as required in the enclosed instructions. Proof of Posting or publication of the notice must be received by the Los Angeles Water Board no later than November 4, 2022.
