Subject: Parking Pass Program for Holly street

Hello Clerk Weaver,

We wanted to express our support for the continuation of the parking pass program on and around Holly street (near Holly Kansas park).

We're residents of El Segundo living on Elin Pointe (across from Holly Kansas park). During this past year, the trial has been very successful. Before the program, we could rarely find parking in front of our own house which has room for 4-5 cars. It was constantly filled with overflow from people at Gran Tropez using our street as an extended parking lot, leaving cars for days/weeks on end, only moving for street cleaning. The program has made the street usable again.

I hope the parking pass program can continue. Thank you for all you do! We love living in El Segundo because of wonderful, hard working, dedicated people like you!
