Subject: Grand/Kansas Building Project

Hello City Council and Planning Commission,

As a neighbor who lives on Kansas Street, I would like to make you aware and invite you to attend the second neighborhood meeting hosted by the developer of the Grand/Kansas Building Project. (the invitation with the meeting details are below)

At the first neighborhood meeting, it was really interesting to see the plans that Griffin Capital and Greystar had put together and hear the feedback from the community. I am curious to see what the developers have taken from the first meeting and look forward to tomorrow's presentation.

I am hopeful that you will also join us, so that you can hear first hand their proposal.

Thank you all for the time that you give to our community - you are appreciated,
Cheryl

Hi everyone,

We will be hosting another informational meeting to discuss the potential residential project on Tuesday 10/10 at 6pm at the Fairfield Inn & Suites conference room. Details are provided below. We will provide an update on (i) the ongoing demolition, (ii) the DTSC review, and (iii) the project plan.

For those who are not able to attend, please send me a note, as we would be happy to find a separate time to discuss. We have appreciated hearing from many of you with additional questions and feedback following our last meeting.
