BACKGROUND

LA Sanitation and Environment (LASAN) and the City of El Segundo created a partnership known as the Citizens Forum more than 15 years ago. The group's purpose is to foster open and transparent communication and remain accessible and available to our El Segundo neighbors.

As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and, upon request, will provide reasonable accommodation to ensure equal access to its programs, services and activities.
