Good evening Lifan,

I know the park side and the hotel side will be 2hr restriction but I honestly don't think that will be enforced. I am asking for a No Parking from Sunset to Sunrise along with the 2hr Restriction. I was at a park in Playa del Rey today and saw signs stating this language and including No Over Night Parking. . Not only will this free up curb space this would deter visitor parking from taking advantage of our neighborhood. Would this be possible to present to Council on my behalf?

Kindly,
Tamiko
