The Park Renovation Subcommittee, with certain statutory exceptions, can only take action upon properly posted and listed agenda items. Any writings or documents given to a majority of Park Renovation Subcommittee members regarding any matter on this agenda that the City received after issuing the agenda packet are available for public inspection in the Checkout Building in Recreation Park during normal business hours. Such documents may also be posted on the City's website at www.elsegundo.org and additional copies will be available at the Park Renovation Committee meetings. Unless otherwise noted in the agenda, the public can only comment on city-related business that is within the jurisdiction of the Park Renovation Committee and/or items listed on the agenda during the Public Communications portions of the Meeting. The time limit for comments is five (5) minutes per person. Before speaking to the Park Renovation Committee, please state: your name, residence, and organization/group you represent, if desired. Please respect the time limits.

While comments are welcome, the Park Renovation Subcommittee may not take action on any matter not on this Agenda. Park Renovation Subcommittee members may respond to comments after the Public Communications is closed. Members of the Public may provide comments electronically by sending them to Chelsea Shafer, Senior Administrative Specialist at cshafer@elsegundo.org.

REASONABLE ACCOMMODATIONS: In compliance with the Americans with Disabilities Act and Government Code Section 54953(g), the City Council has adopted a reasonable accommodation policy to swiftly resolve accommodation requests. The policy can also be found on the City's website at <https://www.elsegundo.org/government/departments/city-clerk>. Please contact the City Clerk's Office at (310) 524-2308 to make an accommodation request or to obtain a copy of the policy.

Mural Studies

Option 1: Basketball Court As-Is

Skate area design not complete, for spatial study only

Advantages

- Cost savings
- Reuse of existing facilities

Disadvantages

- Prohibits open building connections to Teen Plaza
- Poor orientation of basketball court to building
- Limits skate park area and flow
- Constrains entry plaza to street connection

Option 2 – New Basketball Court

Skate area design not complete, for spatial study only

Advantages

- Allows open building connections to Teen Plaza
- Improves entry plaza to street connection

Disadvantages

- Cost increase
- Limited skate park area and flow
- Poor orientation of basketball court to building

Option 3 – New Basketball Court Rotated

Skate area design not complete, for spatial study only

Advantages

- Maximizes open building connections to Teen Plaza
- Maximizes entry plaza to street connection
- Maximizes skate park area and flow
- Improves orientation of basketball court to building

Disadvantage

- Cost increase
