Subject: Item 20 on Sept. 3rd City Council Agenda

Dear City Council,

Hi!

My name is Cheryl and I live on Kansas Street. I understand that tonight you will be looking at Preferential Parking Zone 3 and making some adjustments, per line item 20 under Lance's report.

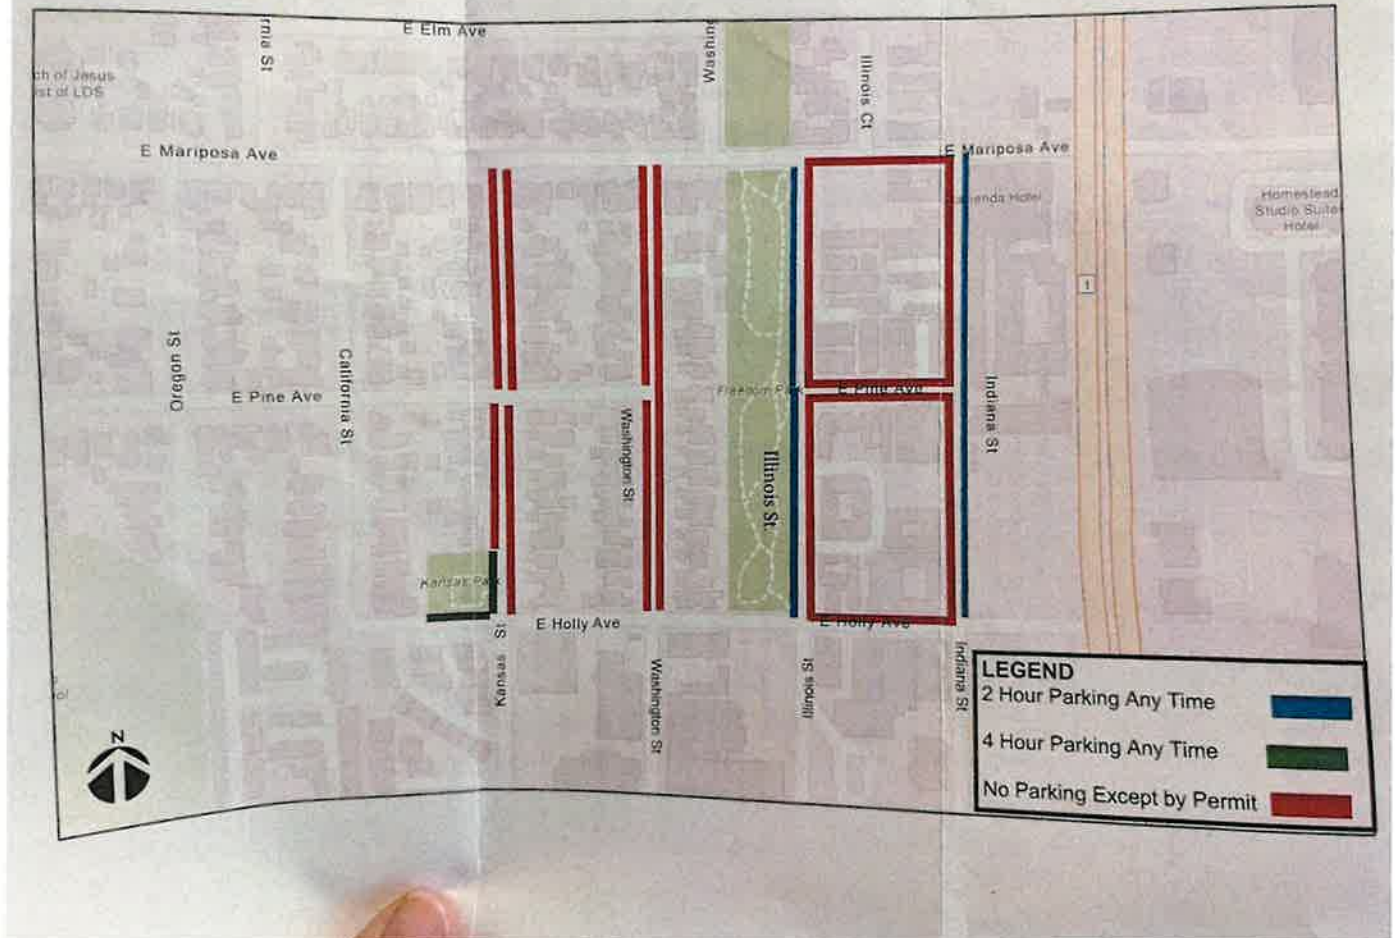

Unfortunately, I am unable to attend the meeting in person, but I wanted to share my experience with the new parking permit program.

I have wholeheartedly enjoyed pulling out of my driveway and being able to see down the street both ways. I am grateful for the lack of congestion, which leads to increased safety, especially since I am across the street from the park. I have also enjoyed having parking for guests to my house. I have relished not calling ESPD to report suspicious cars.

I am truly appreciative of the parking permit program on our streets. I feel that it has made a difference. I would like to request that the permit stay in place as a long term solution for our area.

Thank you for granting us this request,
Cheryl
