Subject: Parking Permits

Good Morning,

I am writing in reference to the parking discussions/issues at Illinois and Pine Avenues in El Segundo.

I applaud the efforts and time to analyze the parking issues in this quadrant of the city. I have a condo on the corner of Pine and Illinois and since the parking restrictions have been in place, I have noticed less trash, noise and confusion in the streets and park area. It seems like many of the parking spots are utilized by people going to LAX, Jim and Jacks overflow and people just parking and living in their vehicles.

Please keep the parking restrictions in place to preserve the equality of our city!

Thank you!
